Raşit Yakalı İçin

Ben bir karikatürcü değilim. Karikatürden anlar mıyım? Raşit Yakalı gibi bir sanatçının karikatürleri üzerine söz etmek benim haddim mi?

Bu açıdan bakılırsa, elbet değil... Ama karikatür öyle bir sanat ki, sanatın, çizginin teknik ölçütlerinin ötesinde insanla bütünleşen bir yanı var.

İnsana sesleniyor; düşüncesiyle, zekasıyla, günlük yaşamı ile, geleceğe uzanışıyla (klasikleşmesiyle), sevgisiyle, yergisiyle insanı kavrıyor.

Karikatürü bir sanat, karikatürcüyü bir sanatçı olarak değerlendirmek elbet özgün bir bilgi ve yetenek gerektirir. Ama karikatürü seyretmek, karikatürden etkilenmek için sadece bir insan olmak; düşünebilmek ve gülebilmek yeterli...

Karikatür zaten insana çok yakın olan bir sanat değil mi? O halde bir şeyler söyleyebiliriz...

Üstelik Raşit Yakalı bir gazeteci... Günlük olayların içinde yaşayan, olayların yorumunu yapan, kıdemli, deneyimli, birikimli, usta bir gazeteci.

Olayların yorumunu çizgiyle yapmak, yazıyla yapmaktan daha zordur. Çoğu zaman görürüz, Raşit Yakalı'nın karikatürlerinde de bunu gözlemleriz; satırlar, hatta sayfalar dolusu yazıyla anlatılabilecek bir yorum, bir düşünce iki-üç çizgiyle çok daha geniş boyutlu, çok daha derinlemesine anlatılıverir.

Raşit Yakalı, uzun yıllar gazetelerde sanatını halkla bütünleştirmenin çok onurlu örneklerini verdi.

Raşit Yakalı'nın yakından gözlemleme fırsatını bulduğumuz bir yanını belirtmek isteriz. O, karikatür için gerekli zekaya ve bilgiye öylesine sahip ki, gerek yurt olaylarıyla gerek dünya olaylarıyla ilgili olarak istenilen her alanda ustalıkla fırça vurabiliyor. Elbet kişiliğine, toplumcu dünya görüşüne uygun olarak... Ve de düşüncelerinden, dünya görüşünden ödün vermeksizin... Sanatı, zekası ve bilgisi imrenilecek biçimde zengindir. Eski deyişle velût, yeni sözcükle söylersek verimli, üretken bir sanatçıdır.

Raşit Yakalı'nın tek kusuru, sanatının ve yeteneklerinin değerlerine ihanet edecek kadar mütevazi oluşudur.

Hayır! Aslında bu, onun büyük yanıdır; gerçek bir sanatçı gücünü özümseyişin sağlam bir yansımasıdır.

Günlük

Doğru bildiklerimden taviz vermeden kendi çapımda 36 yıldır günlük karikatür çiziyorum. Hergün çizmek bir maraton işi, bir nefes işi. 42 km/yıllık maratonun 36.kilometresindeyim. Kendimi bu yarışa öyle kaptırdım ki, başlangıcından bugüne bütün Avrasya maratonlarına katıldım. 19 adet cam ve metal madalya kazandım. Kondüsyonumu ve heyecanımı kaybetmeden çiziyor ve koşuyorum (!)

Son üç yıldır Bizim Gazete'nin bana açtığı kulvarın hakkını vermeye çalışıyorum. Bana bu imkanı veren Sayın Başkanım Nail Güreli beye, karikatürlerimi en iyi şekilde değerlendiren Genel Yayın Yönetmenim Yılmaz Tunçkol beye, Yazı İşleri Müdürüm Nusret Caneri beye, eski müdürüm Kayhan Küreman abiye, yazı işleri çalışanlarına,

bu albümü yayına hazırlayan arkadaşım Orhan Yorgancı'ya ve her gün yapıcı eleştirileriyle bana yön vermeye çalışan Hocam Semih Balcıoğlu'na, bu kitap dizimi, evde karikatürlerimi huzurlu bir ortam içinde çizmemi sağlayan, onları ilk izleyen, silip gazeteye fakslayan ve üstüne keyif kahvemizi getirmekten 27 yıldır bıkmayan sevgili eşim Emriye Yakalı'ya ithaf ediyorum.

1996-1997 yıllarına ait ekonomik, politik ve sosyal konulara kronolojik olarak yaklaşabildiysem ne mutlu bana.
